**April 2023**  
**Employee of the Month**  
**Lisa Cichosz**

Mrs. Lisa Cichosz has worked at L'Anse Area Schools for 15 years. Mrs. Cichosz has been a teacher in both the elementary school and the middle school over the years. This year she is also serving in a Head Teacher role providing support to the Jr-Sr High School principal. Lisa was nominated for Employee of the Month because she has shown dedication to the school by being very reliable and taking on new roles. In addition to her teaching of math classes, Lisa does a lot of work behind the scenes to assure our school runs smoothly. She arrives early in the mornings and assists with arranging substitutes for the day. She is also passionate about the importance of school attendance and works diligently to implement our school's truancy response plan. Lisa is also a long serving member of our School Improvement Team and works to develop strategies to improve academic performance of our students and to promote updated curriculum for our teachers to implement. Lisa comes to work every day with a confident attitude and strong work ethic. Mrs. Cichosz lives in L'Anse with her husband Chad and they have two children currently attending LHS. We appreciate Lisa being a part of our team at L'Anse Area Schools!
